2. **PAYMENT:** Items must be paid in full upon receipt of invoice. A Buyer’s Premium applies and is specific to each individual auction. Sales tax will be charged on the total purchase price of an item, which includes the Buyer’s Premium. The Buyer’s Premium may change with each individual auction. Company checks are only acceptable if accompanied by a bank letter of guarantee. No merchandise will be released until invoice is fully paid.
3. **TAXES:** Prices may not include any federal, state, or local taxes, which are in addition to the purchase price and must be paid by purchaser. Sales tax will be charged on the total purchase price of an item, which includes the Buyer’s Premium. Machinery and equipment used in the manufacturing or assembly of tangible personal property for wholesale or retail sale are exempt from tax in the state of Illinois, otherwise purchaser must furnish a tax exemption certificate, any sales, use, excise, or other similar tax, where applicable, shall also be the responsibility of purchaser and may, at the election of PPL, be added to the quoted purchase price and invoiced by PPL to purchaser. The failure of PPL to invoice such taxes does not excuse the purchaser from responsibility for paying same. When a sale is in a state other than the state of Illinois, there will be specific information relative to the sales tax rates and any exemption to the specific auction sale and will be posted with each individual auction sale in the Buyer’s Guide.
4. **REMOVAL:** Each auction will have specific information relative to the times of removal. All items must be off the premises by a specific time and date. Buyers of items remaining on premises after the specified date may be assessed a storage fee of up to \$100 per day, plus reasonable out-of-pocket expenses incurred by auctioneer to make item(s) available to be picked up after the specified date.
5. **LIABILITY:** Purchases may be removed only on presentation of paid bill. Removal shall be at the expense, risk and liability of the purchaser. Auctioneer shall not be responsible for goods not removed within the time allowed, but shall have the option to remove and store at the expense and risk of the purchaser any article purchased, but not paid for and removed within the time aforesaid. A certificate of insurance is required for all riggers and should be sent to PPL Group LLC before any removal is allowed. If you intend to do your own rigging and use any kind of powered/motorized equipment in the process, you must have a certificate of insurance. Contact PPL Group LLC for insurance requirements for specific auction. PPL Group LLC is not a rigging company and therefore will not be able to help with any rigging.
6. **MANNER OF PAYMENT:** All checks for deposit and balances due shall be payable to the order of PPL Group LLC. No deduction allowed on damaged articles, all articles being exposed for public exhibition, and sold “as is” and without recourse. Articles are not warranted as merchantable or fit for any

particular purpose, and no claim may be made by purchaser relating to the condition or use of articles purchased or for proximate or consequential damages arising therefrom.

9. **SAFETY DEVICES:** Articles purchased may not incorporate approved activating mechanisms, operating safety devices or safety guards, as required by OSHA or otherwise. It is purchaser's responsibility that articles purchased be so equipped and safeguarded to meet OSHA and any other requirements before placing such articles into operation.

11. **CLAIMS:** No claims will be allowed after removal of goods from premises or left on premises past allowed time limit.
12. **RESPONSIBILITY FOR NON-DELIVERY:** Neither the auctioneer nor the seller, in any event, shall be liable for non-delivery or for any other matter or thing, to any purchaser of any lot, other than for the return to the purchaser of the deposit or sum paid on said lot, should the purchaser be entitled thereto.
13. **COMPLIANCE WITH TERMS OF SALE:** In default of payment of bills in full within the time therein specified, the auctioneer in addition to all other remedies allowed by law may retain all monies received as deposit or otherwise, as liquidated damages.
