Sales tax will be charged on the total purchase price of an item, which includes the Buyer’s Premium. Machinery and equipment used in the manufacturing or assembly of tangible personal property for wholesale or retail sale are exempt from tax in the state of Illinois, otherwise purchaser must furnish a tax exemption certificate, any sales, use, excise, or other similar tax, where applicable, shall also be the responsibility of purchaser and may, at the election of PPL, be added to the quoted purchase price and invoiced by PPL to purchaser. The failure of PPL to invoice such taxes does not excuse the purchaser from responsibility for paying same. When a sale is in a state other than the state of Illinois, there will be specific information relative to the sales tax rates and any exemption to the specific auction sale and will be posted with each individual auction sale in the Buyer’s Guide.
4. **REMOVAL:** Each auction will have specific information relative to the times of removal. All items must be off the premises by a specific time and date. Contact PPL Group LLC for insurance requirements for specific auction. exhibition, and sold “as is” and without recourse. Articles are not warranted as merchantable or fit for any particular purpose, and no claim may be made by purchaser relating to the condition or use of articles purchased or for proximate or consequential damages arising therefrom.

9. **SAFETY DEVICES:** Articles purchased may not incorporate approved activating mechanisms, operating safety devices or safety guards, as required by OSHA or otherwise.
