2. **PAYMENT:** Items must be paid in full upon receipt of invoice. A Buyer’s Premium of 18% applies, unless otherwise noted. Sales tax will be charged on the total purchase price of an item, which includes the Buyer’s Premium. Machinery and equipment used in the manufacturing or assembly of tangible personal property for wholesale or retail sale are exempt from tax in the state of Illinois, otherwise purchaser must furnish a tax exemption certificate, any sales, use, excise, or other similar tax, where applicable, shall also be the responsibility of purchaser and may, at the election of PPL, be added to the quoted purchase price and invoiced by PPL to purchaser. The failure of PPL to invoice such taxes does not excuse the purchaser from responsibility for paying same. When a sale is in a state other than the state of Illinois, there will be specific information relative to the sales tax rates and any exemption to the specific auction sale and will be posted with each individual auction sale in the Buyer’s Guide.
4. **REMOVAL:** Each auction will have specific information relative to the times of removal. All items must be off the premises by a specific time and date. Auctioneer shall not be responsible for goods not removed within the time allowed, but shall have the option to remove and store at the expense and risk of the purchaser any article purchased, but not paid for and removed within the time aforesaid. A certificate of insurance is required for all riggers and should be sent to PPL Group LLC before any removal is allowed. If you intend to do your own rigging and use any kind of powered/motorized equipment in the process, you must have a certificate of insurance. Contact PPL Group LLC for insurance requirements for specific auction. PPL Group LLC is not a rigging company and therefore will not be able to help with any rigging.
6. **MANNER OF PAYMENT:** All checks for deposit and balances due shall be payable to the order of PPL Group LLC. exhibition, and sold “as is” and without recourse. Articles are not warranted as merchantable or fit for any particular purpose, and no claim may be made by purchaser relating to the condition or use of articles purchased or for proximate or consequential damages arising therefrom.

9. **SAFETY DEVICES:** Articles purchased may not incorporate approved activating mechanisms, operating safety devices or safety guards, as required by OSHA or otherwise.
